

Magoo's opened in 1987 and is owned and operated by Gail McKeel and Ray Bicknell, Jr. Magoo's began as a neighborhood restaurant and sports bar. They continue to operate Magoo's today in the same format. Located off Ringgold Road in front of Tri State Bowling, the restaurant sports seven TV screens as well as entertainment on Wednesday nights by Jerry Fordham using a variety of instruments and vocals. Magoo's is proud to offer their guests food prepared by Shirley Saint, their original cook of 17 years. The owners are very involved in East Ridge and support the city through several projects, including work as co-chairmen of the Tunnel Community Beautification Committee. They are huge fans of the East Ridge Pioneers. Stop by and meet your East Ridge neighbors at Magoo's.
